Not sure which hearing. NLRB one? One on the Hill? If former, details will go out with NPRM. If the latter, Brian will have details and contact info probably.

Any ideas how I can find out about it? I am going to ask the SC AG if I can speak with the state's lawyer who will be there. SC is going to be represented. I recommended it intervene because of the contracts between it and Boeing and Lafe's long delay in filing a complaint. Seems to me that may have some teeth. Thanks.

Enjoyed it. Did a 5 min interview with Peter Barnes after and they want me available for Cavuto if he needs me on Tuesday. Having fun.
